PROFESSIONAL EXPERIENCE

Data Entry Researcher — Library Contacts

Taylor & Francis account · Remote — June 2026 – Present

- Research, verify and record library and institutional contact details for the Taylor & Francis account.
- Maintain and update contact databases, keeping records complete, consistent and free of duplication.
- Cross-check entries against publisher, institutional and web sources before submission.
- Meet daily and weekly data-quality and volume targets, flagging unresolved or conflicting records to the team lead.

Researcher & Support Specialist

Straive (Remote) · Elsevier client — April 2023 – March 2026

- Managed high-volume researcher and author queries by email and chat using Oracle Service Cloud.
- Processed invoices, address revisions, discounts, split invoicing and currency changes in Salesforce CRM.
- Processed refunds and reconciled accounts with Finance teams.
- Administered article license changes (CC BY, CC BY-NC-ND, OGL) in the Production Tracking System (PTS), and facilitated Open Access and subscription model changes.
- Produced ad hoc reports and data entry in Microsoft Excel.

Team Leader

SPI Global Technologies Inc. · Dumaguete City — March 2016 – December 2021

- Led a team handling publishing operations: journal orders, claims and client queries.
- Monitored and reported team KPIs, productivity, quality metrics and attendance.
- Ran coaching sessions, performance evaluations and new-hire training.
- Managed workforce scheduling in Darwinbox and prepared billing reports and KPI scorecards.
- Proposed and contributed to automating Corrective and Preventive Action (CAPA) reporting.

Customer Service Representative

Inspiro · PLDT account, Dumaguete City — 2015 – 2016

- Handled inbound billing, product and technical support inquiries; processed service applications and upsold relevant product offerings.

Customer Service Representative

Qualfon Inc. · Straight Talk account, Dumaguete City — 2013 – 2015

- Assisted international customers with account inquiries, airtime refills and troubleshooting; managed escalations under the Executive Resolution Department while maintaining quality metrics.

Administrative Clerk

Diocos Law Office · Dumaguete City — 2012 – 2013

- Managed legal documents, office files and permit processing with high accuracy; coordinated client communications on documentation timelines and deadlines.
